

ISO2go-Cup 0,25 l

The ISO2go cup in combination with the Multi2go-lid. A low-cost but high quality alternative. Developed by professional bariste, the elegant reusable cup fits under any coffee machine in the gastronomy and also at home. No additional cup cuff is necessary even for hot drinks. The cup can be printed in up to 5 colours with guaranteed 500 flushes in household and industrial dishwashers with proper use – so the ISO2go Cup is above all sustainable and can be used for a long time.

On request: cup also sold separately without lid.

Available standard colors on request.

- approved by BGA and FDA
- free of bisphenol-A
- environmentally friendly - reusable
- dishwasher-suitable
- inside the mug with pearl gloss finish for easy cleaning
- insulating effect with a pleasantly warm hand feel even when water is boiling in the cup
- filling volume up to 300 ml - also with milk foam (calibration marking in the tool at 0.25 L)
