

Triangle cooler

Double-walled cooler in space-saving triangular shape with proactive crushed ice filling or only available as counter display without cooling brine.

In cooperation with Messe Frankfurt, the LifeCare initiative awarded the WMF beverage cooler DIVA (triangular cooler) as an innovative, trend-oriented and sustainable product with the Home&Trend Award 2015.

- space-saving triangular shape
- available with or without cooling brine
- ideal for use at bar & counter
- award-winning product "Home&Trend Award 2015"
