The innovative drinkclean closure is comfortable and practical to handle. Functional in use, form and hygiene. Simply swivel the rotatable drinking nozzle upwards into the drinking position, then turn it back into the clean closing position. The clean solution - the drinking area remains free of traffic dust, dirt particles, splashes from cycling in the city or through the terrain.

Other advantages of sports bottles:

- easy handling when cleaning bottle, lid and drinking plugs
- stable
- for hot drinks up to 80°C and carbonated beverages (with an overpressure >1 bar a safety vent is carried out) and thus suitable for every season
- extra large filling opening, e.B. for soluble energy drinks and even large ice cubes
- printable in up to 5 colours
- suitable for all common bicycle bottle holders with EU standard

On request available: matching designer bottle holder which is flexible, particularly break-proof and ultra-light.

- innovative screwing lid
- free of bisphenol-A
- neutral taste and smell
- environmentally friendly - reusable
- dishwasher-suitable - at least 500 flushings on article and print guaranteed
